Rotary Crocus Campaign

Yesterday all our children had the opportunity to get involved with the Rotary Crocus Campaign. Each class were given a time slot to plant hundreds of bulbs along the south side of the school field opposite Tesco. We are really looking forward to seeing the effect when the purple blooms start appearing in the spring.

The purple crocus is a symbol of Rotary's worldwide campaign to eradicate polio, with its colour representing the purple dye used to mark the finger of a child who has been immunised, and with polio eradication now closer than ever, this is great opportunity to raise awareness and funds to help finish the job.

KS1 Cross Country Running

Well done to Rudy, Ethan, Harlyn, Ivy, Constance, Lola and Phoebe who all took part in the KS1 Cross Country Running event at Wadebridge School yesterday. You were all superb. An extra special mention for Rudy who came 2nd out of more than 30 children.

Aspiration Awards

A reminder that the deadline for handing in Aspiration Awards scrapbooks is Thursday 1st December. This will enable us to get the awards ready for the assembly on Thursday 8th December.

Parking

As the weather turns darker, colder and wetter the school car park becomes busier. Please can we appeal to everyone who brings a vehicle on to the school grounds to make sure you are driving with care and attention and parking with consideration for others. Please do not park on the roundabout or pedestrian crossing. TESCO have agreed that cars can be parked in their car park during drop-off and pick-up times (but not for extended periods). This is a simple and stress-free solution as it is only a short walk from the car park to school which can be easily managed by the majority. We urge parents to make the most of this offer to help us keep our school environment as safe as possible. We thank you for your support.
