

English

Closely linked to our topic, we will be creating our own fantasy stories. We will be creating our own fantasy settings and comparing narratives from a range of media such as books, tv series and films.

Science

In science we will be looking at how materials can change from one state to another and their properties once they change.

Mathematics

During this term we will be focussing on place value and the 4 operations. We will also be working on measurement and how scale works when using maps.

Curriculum Newsletter Razorbill Autumn 1 2019

Geography and History

We will be finding out how different types of maps are used and also how technology can be used to find places around the world.

Key question

Whats in the Wardrobe?

Cornerstones topic

Language

We will be learning common French phrases during this half term.

RE

We will be looking at forgiveness and how this is found across a wide range of religions

PE

PE will take place on a Monday and Friday. We will be looking at ball skills and how we can apply these to games such as rugby and hockey.

Art and Design

Art will be focussed on drawing portraits and landscapes.

PSHE

We will looking at the character traits of conscientiousness and curiosity. We will also be discussing how we make choices.
