

Padstow Primary School Planning for PE & Sport Premium 2017-2018

Padstow Primary School is unique because:

- We place PE and sport highly on our agenda.
- We are committed to offering a PE curriculum with outstanding breadth and a wealth of experiences.
- We are committed to offering high quality PE and sport across both key stages and always seeking to continue our professional development.
- We are able to offer a wealth of active experiences both on the school grounds and through our programme of residential trips and day visits.
- We are committed to using our local community and environment to provide PE and sporting opportunities to enhance our diverse curriculum.
- We are committed to finding a sport for every child.
- We are able to offer a diverse after school programme.
- We have extensive links to community sports clubs and programmes.
- We work with a cluster of local primary schools in a PE Primary Agreement to strategically plan events locally and nationally, CPD and share resources.
- We work with our Multi Academy Trust – Aspire – PE Group of 21 schools.

PROPOSALS FOR PE and Sport Premium SPENDING 2017-2018

The PE and Sport Premium was introduced in January 2013 and was designed to help schools improve the quality of PE and Sport they offer their pupils.

Income = £17,530

Planned expenditure = £ 18, 377

STAFF DEVELOPMENT

- Snap shot lesson observations by SMT and sports specialist.
- Training and mentoring of PE specialist to support teaching and learning.

IMPACT:

The appointment of a PE Teaching and Learning Assistant will allow for increased differentiation, with specialist support in lessons. This also allows us the flexibility to stream some lessons of PE. The appointment is a qualified lifeguard which enables us to utilise these skills for school swimming lessons.

**TOTAL: £5,597 PE Teaching & Learning Assistant
(portion of salary)**

TEACHING ENHANCEMENT

**£2500 PEPA.
£700 Aspire**

IMPACT:

Our Primary PE Agreement (PEPA) across our cluster also includes subscription to YST and Arena who provide us with 3CPD opportunities throughout the year. We access a programme of events (23 in 2015/16) including; the YST case study 'Our Girls Can' programme, which promotes physical activity for girls. Clip & Climb for those reluctant children and Balanceability Bikes for Early Years. The Aspire MAT group gives us the opportunity to work with like minded people and continue to develop and promote PE, sport and a healthy and active lifestyle.

PUPIL DEVELOPMENT	
£1000 BM CPD	Training of staff to lead new initiatives in school leading to greater diversity of our offering.

Padstow Primary School Planning for PE & Sport Premium 2017-2018

£1500 After school club	Improving the quality of our after school clubs and ensuring a clear link to community clubs available to our children.
£2770 FMS implementation, screening and training. £450 KS1 app implementation and set up.	<p>Implementation of a movement screening app in KS1 and screening in KS2 in response to the changing environment for children today and how we combat the 'ipad generation'. With obesity, mental health and muscular skeletal injuries increasing NHS costs, it is our responsibility to ensure funding given by the government combats the rise of these issues in primary school children. In KS2 FMS is a tool that allows us to understand each child's unique system and how they are able to receive information and transfer that to movement. Intervention will then seek to prevent their muscular and/or cognitive health from slipping. This is ground breaking work and Gavin will only be working with Aspire Schools in the UK. We are working closely with the UK leader in this field and he is completing his own research which seeks to present a case study of the links between cognitive health and muscular skeletal health. This year we will also pay for the training of two members of staff to complete the screening, this will in turn make the project sustainable.</p> <p>We will also be purchasing and putting staff through the training for a screening app in KS1 to run alongside FMS.</p>
£4860 Minibus lease	The leasing of a Minibus has removed the limits and costs that transport has proved to be for sporting fixtures and events. The number of children able to attend sporting events has increased due to us being able to facilitate them without cost or parental support.
£500 Top up Swimming	At Padstow our aim is to have the majority of our children swimming 100m by the time they leave Y6. Last year 100% of our Y6s left us having met that target. All years groups swim for a term but those who are non-swimmers in Y2 and above continue to swim all year until they can swim a width confidently on front and back. We use our PE and Sport grant to subsidise this for parents.
