We break up for Easter at 2pm on Friday
We return to school on Tuesday 18th April

Cheese & Wine Evening

TONIGHT! 7pm in the school hall.

Come and be part of shaping the future of our school. We would really appreciate your support and involvement. Wine and cheese is complementary.

TONIGHT!

Aspiration Awards Assembly

The Aspiration Awards Assembly is one of the most enjoyable of the term. It gives us all the opportunity to celebrate activities the children get involved in outside of school. This term we have seen some children start brand new Aspiration Awards and others have continued to build on their successes of last term. In our assembly this morning we celebrated the achievements of an ambassador, quite a few chefs and sportsmen, an adventurer and some scientists. Well done all of you!

Needs Your Help

To maintain its survival Padstow Town United desperately need help with fundraising.

They are currently seeking people who can spare a little time to expand the profile of their current 'friends program' and to organise further fund raising events.

To volunteer or for further information please call Richard on

Swimming: Our Year 2 children will be swimming in the summer term. They will swim on Tuesday afternoons starting on May 9th. Letters with more information will be sent out after Easter.

Help us to become nit-free—please check your child's hair this weekend

The Return of the Olympic Swimmer

Antony James returned to school on Tuesday to put Year 3 through their paces on the sponsored fitness circuit. The year 3 children missed out on Antony's first visit as they were swimming. They certainly made up for it this week as they endured rounds of spotty dogs, leg drives, press ups and star jumps!

Summer Menu

The new menu was sent home with children earlier this week. It is also available to view on our website under the 'downloads' tab.

Vegetable Survey

Our Year 3 children have been busy asking everyone what their favourite vegetables are. They are going to find out which are the most popular over all and plant them in our garden.

Flat Stan First Aid

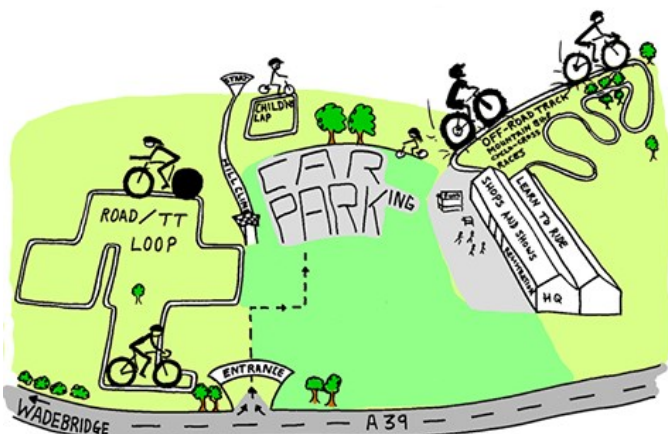

Children in the Reception Class, Year 3 and Year 5 were treated to Flat Stan First Aid Workshops on Friday. The workshops were generously funded by Padstow Town Council. The aim of the workshops is to teach the children vital and essential life skills. The children learned how to get help, when to call 999, how to check if someone is breathing, how to help if someone is choking, how to deal with burns, bleeding and nose bleeds and how to use slings and bandages. It was a fun session and the children certainly learned a lot.
