Transition Afternoon/Open Session

On Monday 25th June all our children will be spending the afternoon in the classroom they will be in from September. This gives them an opportunity to meet their new class teacher and to have a look around the new environment.

On Tuesday 26th June, from 9.00am, we will be holding an open session for parents and carers to meet their child's new class teacher. Please drop your child in to school as usual, you are then invited to come into the hall where teas and coffees will be served. After registration, the children will go to their new classes, parents and carers will then join them for an hour long lesson.

The Beach Guardian Visits Year 1

The Beach Guardian (also known as Rob Stevenson) came into school on Monday to talk to Year 1 about plastic waste in the ocean. The Beach Guardian organises beach cleans and asks volunteers to join him in cleaning up the plastic. His aim is to use the material found to deliver educational activities to school children highlighting the impact of plastic waste on local beaches and seas.

Y6 Hit the Surf

Y6 had some well-deserved fun on Tuesday when they went to Fistral Beach in Newquay to take part in the RNLI programme, Hit the Surf. The children participated in an exciting lifesaving course which involved theory and practical water-based lessons on beach safety, surf survival skills and vital techniques for identifying hazards and dangers.

The Prince's Countryside Parade At The Royal Cornwall Show

Yesterday Miss Mainwaring accompanied 6 of our children to the Royal Cornwall Show where they were part of the Prince's Countryside Parade in the Main Ring; a carnival of colour with floats and costumes from charities that are part of countryside, environment and rural communities to mark Charles' 70th birthday. It also featured local musicians and dancers and was a surprise for the prince. The children were asked to take part by David Sharland, a member of the Royal Academy of Culinary Arts as part of the schools Adopt a Chef scheme.
