## Lunchtime Supervisor Vacancy

We have a vacancy for a lunchtime supervisor here at

Padstow School. If you are interested and would like more information, please call, email or pop in to see us.

## Top Score for Food Hygiene

Our outstanding kitchen team: Jane, Karen and Cathy have once again been awarded a food hygiene rating of 5, the maximum rating, for the Ship's Galley at Padstow School. Well done ladies!

## KS2 Cross Country

We have had an unexpectedly large number of requests for transport via the minibus for the Cross Country on Wednesday. As we can only take a maximum of 15 children we will be drawing names out of a hat on Friday. If, in the meantime, you manage to arrange transport privately, please do let us know. It would be great to see as many there as possible.

## World Space Week

Next week is World Space Week: an international celebration of science and technology, and their contribution to the betterment of the human condition. The United Nations General Assembly declared in 1999 that World Space Week will be held each year from October 4-10. These dates commemorate two events:

**October 4, 1957:** Launch of the first human-made Earth satellite, Sputnik 1, thus opening the way for space exploration

**October 10, 1967:** The signing of the Treaty on Principles Governing the Activities of States in the Exploration and Peaceful Uses of Outer Space, including the Moon and Other Celestial Bodies.

We will be weaving lots of space information into our learning during the week.

**Drop-In Baby Health Clinic**  
**Padstow School**  
**Tuesday 4th October**  
**at 1.30pm.**
