Aspire Sailing Regatta

Nine of our junior children: Bethany, Lillian, Zach, Harry, Archie, Daniel, Sunny, Myles and Sam took part in the Aspire Sailing Regatta over at the Camel Sailing School in Rock last Friday along with children from St Breock and St

A Drainpipes, Pallets and Planters Plea

Year 3 and Year 4 are planning on prettying up their classroom exteriors, they are looking for drainpipes, pallets and planters for a floral display. If you have anything to donate or you are a dab hand at knocking up a planter, we will be very grateful.

Padstow in Bloom Competition

This year Padstow in Bloom is being overseen by Trevisker Garden Centre Ltd. They are inviting the children to enter a '**Plant a plant in an unusual container**' competition. What plant? Any plant(s)! Let it be wild, vegetable, floral or a combination! Your choice! Make it fun and interesting, it is all about having fun. All entries to be in the classroom for judging on 30/06/17

Help us to become nit-free—please check your child's hair this weekend

North Cornwall Games

Well done and a big thank you to the children who represented Padstow School at the North Cornwall Games at Budehaven School on Tuesday. (Sam, Finley, William, Alfie, Falina, Aimee, Reese and Zoe).

Photography & Mixed Media Club

Look at the composite photographs Ruan and Grace have made of themselves flying in the Photography and Mixed Media after school club. Aren't they amazing!

If anyone would like to join the Photography & Mixed Media Club for the second half of the term they will be continuing with this sort of theme and if it's sunny enough they will be making some cyanotype images at the end of term. Just call in and let us know.

Year 3 Farm Visit

Year 3 enjoyed a visit to South Penquite Farm on Bodmin Moor yesterday. It was a beautiful day spent in beautiful surroundings. The children took part in pond-dipping and found all sorts of wildlife, they watched the farmer round up the sheep with his sheep dogs, witnessed a sheep being sheared, fed a baby lamb, held, baby geese, and fed the ducks. After lunch they had an afternoon ramble through the bluebell woods next to the stream, had a great view of the granite quarry and had a rest in a bronze-age settlement. At the end of the walk they were ferried back to the farm in a tractor and trailer. Quote of the day was from Kyle who said "This has been the best day of my life!"
