Families & Young People With SEND

Cornwall's SEND Local Offer describes the provision that is available for children and young people with Special Educational Needs and Disabilities (SEND) and their families.

Cornwall's SEND Local Offer website helps families by gathering in one place, the information that they need to know in order to make informed choices about the support they receive.

The SEND Local Offer website is also a good resource for the professionals working with children and young people with SEND.

It has been co-produced with parents/carers and young people with SEND. Here is a link to the Local Offer page:
