Out of this World

Year 6's current topic is Science Fiction. They have recently watched The Force Awakens and are now writing their own sequels. They have done some very impressive sketches of Darth Vader and they have built cityscapes, in the style of Peter Root, using staples.

The Three Little Pigs

Year 2 are rewriting their own versions of The Three Little Pigs. There was a lot of enthusiasm for this task in class today.

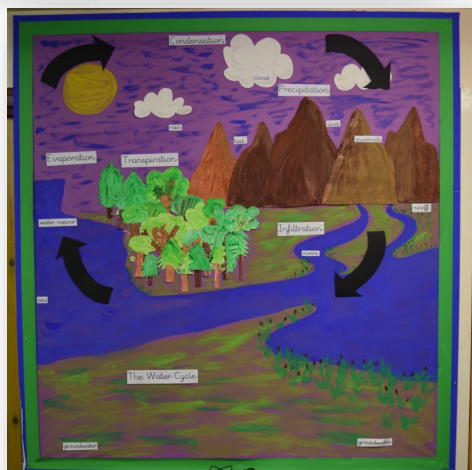

Parent/Teacher Consultations

Class teachers will be holding meetings with parents and carers during the week 20th-24th February. This is an opportunity for you to discuss your child's progress and well-being. We will be using the online system to book appointments. A letter with more details will follow in the coming weeks.

Weather & Climate

The Year 4 classroom is looking very bright and cheerful thanks to their Water Cycle display. They have also made an interesting art installation in the main entrance with their biomes.

Socks & Tights

The infants are making a plea for donations of sock and tights. During the wet weather, we have frequent occasions of children stepping in puddles or falling over and getting wet socks or tights so we are hoping to build up a box of spares. All donations will be very gratefully received.
