Curriculum Enrichment

- Swimming Lessons (1 week) 5th July
- Sports Day
- Trevone Beach Day (date TBC)

KS2
Year 4

MULTIPLICATION TABLES CHECK

WHAT

- Pupils are tested on their ability to answer multiplication questions up to 12 with an emphasis on the 6, 7, 8, 9 and 12 (these are considered to be the most difficult)
- The tests are online and on-screen
- The check contains 25 questions with 6 seconds to answer each one
- There is a 3 second pause in-between each question, before the next one appears on screen
- Before the test, schools can access a practice area for children to become familiar with the style of check
- Each check takes less than 5 minutes per child
- There are multiple versions of the test. The version each pupil gets is selected at random
- There is no expected pass rate or threshold

WHO

- The Multiplication Tables Check (MTC) is a statutory test for Year 4 pupils
- Children will not be required to resit the test if they do not get a high enough score
- Schools will be required to report the results of each child to their parents or carers

WHY

- The purpose of the Multiplication Tables Check is to determine whether pupils can fluently recall their times tables up to 12
- The check will help schools to identify pupils who require additional support

How you can support at home to help your child be even more successful

- Read with your child (Reading Log)
- TTRS
- Anton

Key days/Information

- P.E – Tuesday
- Water bottles
- Coats
- Personal items remain at home
- Reading Logs and Library books

Q&A
