The end of the year: goodbye to our Year 6 leavers

As we say goodbye and good luck to our Year 6 children, we could not be prouder of the children they have become. What a final week they have had; A Midsummer Night's Dream was a triumph and their Leavers Service a fitting end to their time here at Padstow School. A shining example of how the children, parents and staff come together together to create a community that supports, guides and grows together.

We have all had to use this community strength over the last 18 months to provide the best possible school environment for all our pupils. One that focuses on supporting mental health and well-being alongside an exciting curriculum that both inspires and challenges children to become engaged and inquisitive learners.

All of us here at Padstow School and Nursery wish you a wonderful summer break. To those of you not returning in September, good luck in all that you do in the future and to those of you who are, we look forward to seeing you on Wednesday 8th September.

Mrs Whitford, Head of School.

Photos from Year 6's last week at Padstow School

Year 6 performed 'A Midsummer Night's Dream' with aplomb earlier this week, keeping their cool in front of the audience despite the extreme heat!

Their Leavers Assembly on Wednesday was emotional!

Water pistol play for Cormorant class!

This week has been extremely hot and some of our classes chose to cool down by getting wet! Here are Cormorant class having fun:

We are very sadly saying goodbye to Mrs Prince today. She has taught Cormorant class with enthusiasm and a wonderful calmness. We are very sorry to see her go, but she is staying within Aspire as she has secured a teaching post at Indian Queens Primary School. We wish her the best of luck and hope that she stays in touch.
