## It's beginning to look a lot like Christmas...

The children all enjoyed decorating the tree with their home-made decorations this week. They will bring them home at the end of term.

A few reminders about Christmas events:

**Christmas Pantomime**—all classes will be watching the Jack & the Beanstalk pantomime online during the last week of term. We'd be very grateful if you could pay the contribution of £1 per child on ParentPay before the deadline of 10th December. Thank you to those who have already paid.

**Christmas Lunch**—will be enjoyed on Wednesday 16th December. A reminder that we are assuming that ALL children will eat Christmas dinner that day, so you need to let us know by Monday next week if your child will be bringing a packed lunch instead that day. Christmas Lunch will be charged on ParentPay as usual.

**Christmas Jumper Day**—is on Thursday 17th December. If you would like to donate £1 towards the Save the Children charity that is available on ParentPay now, but there is no obligation to. Jumpers can be old / recycled / home-decorated, no need to buy new.

**Christmas cards**—a reminder that the Christmas card postal system around school is running as usual this year and children can post cards into the Post Box by the hall up until Monday 14th December to be distributed to all of the classes at the end of the week. Remember to add class names to the envelopes!

# Christmas Performances

The children are all busy practising for their class Christmas performances this year!

**Puffin, Lapwing and Kittiwake** classes are performing a Nativity. This will be recorded by Mrs Bruce and will be available to watch later in the term on both the Tapestry & SeeSaw platforms. We shall let you know when it is available and, in the meantime, please ensure you can log into the platform relevant to your child's class.

The **KS2 classes** will also be performing Christmas pieces such as songs and poetry. This will be filmed as well and available to watch via the Oystercatcher, Cormorant and Curlew class Google Classrooms. Again, we shall let you know when they are available to view and, over the next few days, we suggest you check that you can log into your child's Google Classroom account and email [hello@padstowschool.org](mailto:hello@padstowschool.org) if you have any problems so that we can help. A reminder that you access Google Classroom via Wonde:

Type in 'Padstow School' and then on the next page click on 'Login with Google' and then enter your child's 'iaspire.org.uk' email address and password (these were emailed to you on 13th May 2020) to log in to Wonde. Once logged in, the front page displays icons for Google Classroom and other online learning sites.

## Welcome back Miss Mainwaring!

We are very excited to welcome Miss Mainwaring back to the teaching staff after her maternity leave. She will be here on Thursdays and Fridays in Lapwing class, working alongside Mrs Thomson for the remainder of this term getting to know the class and the children. From January onwards, Mrs Thomson will teach Lapwing class on Mondays, Tuesdays and Wednesdays and Miss Mainwaring will teach the class on Thursdays and Fridays. It is a joy to have Miss Mainwaring back!

## Thank you to the PTFA

This week we are again saying thank-you to the PTFA (and the parents and local community who support their fundraising efforts) for their donation of **£500** to purchase non-fiction books for the Library. The books cover a range of topics and ages, from basic maths shapes to computer coding and gardening to a set of colourful encyclopaedias. These will help to ignite a passion for non-fiction reading in our children!

## Cornwall Christmas Boxes

A reminder that the deadline for donations of Cornwall Christmas boxes to be handed into Trevisker Garden Centre (or other local drop-off points) is **Friday 11th December** if you are keen to support this local appeal. The staff at Padstow School have brought in donations and filled 2 boxes that will be dropped off today.

**John**, Lapwing class, for perseverance and hard work in improving hand-writing

## Lapwing Reading Challenge

Lapwing class are currently 'reading' their way from Padstow to Buckingham Palace, at a rate of 100 metres per word. They are plotting their progress on a map and looking at their destinations as they go. Earlier in the week they arrived at Stonehenge, and as at this morning they have read their way to Basingstoke! (257 miles away) - they will be continuing this focus on reading next week. Well done Lapwing class, amazing reading!

## After-school Clubs

Unfortunately, the advice for January still remains that we are unable to run any after-school clubs. With regards to the Coronavirus pandemic, we are unlikely to be in a better position in January than we are now, and so we must maintain our focus on teaching within the school day and not take any additional risks. We are hopeful of another smooth term of learning in January and we shall assess again after the February Half-term holiday. We have been notified of a series of local football courses run by 'Pro 20 Sports Academy' (an ex-PAFC youth coach) over the Christmas holidays—see poster attached to this email if you are interested in the details.
