

Week 9: Learning Project - Sport Online

Age Range: EYFS

Parents and carers are asked to log into the Google Classroom app with your child's Google account details.

A Child Login button on the Padstow School website also leads to a [dashboard of digital services](#) for your child. Look for the Google Login option in the bottom-right.

Weekly Reading Tasks	Weekly Phonics Tasks
<p>Monday- Talk to your child about sports day. Read together the information sheets about Sports Day at the end of the pack.</p> <p>Practise tricky words they have recently been working on using flash cards. If your child knows them well you could add in the words come, were, there, little, one and when.</p>	<p>Monday- Daily Phonics - Practise the sounds your child is working on and blend words. This can be oral blending (e.g. spoken out loud c-a-t) or written if appropriate. Make your own bingo boards using this week's keywords – use a hat / gift bag etc to put your flash cards into. Take it in turns to take a word out of the bag and mark off on your bingo board.</p> <ul style="list-style-type: none"> Daily phonics - Practise the sounds your child is working on and blend words. This can be oral blending (e.g. spoken out loud c-a-t) or written if appropriate. Follow this link: https://www.youtube.com/channel/UCo7fbLgY2oA_cFCI9GdxtQ?app=desktop We are focusing on Set 2 sounds which is live at 10.00am. If your child is finding Set 2 challenging please use Set 1 focusing on blending the sounds and writing cvc words.
<p>Tuesday- Listen to stories linked to Sports Day Peppa Pig</p> <p>Practise tricky words on flash cards.</p>	<p>Tuesday- Can your child think of rhyming words? Take it in turns to say a rhyming word i.e. cat, mat, bat, sat. Encourage your child to think about and play with rhyming words. The adult begins with the prompt <i>I know a word that rhymes with cat, you need to put one on your head and the word is...hat.</i></p>
<p>Wednesday- Listen to stories linked to Sports Day The Large Family, Sports Day by Jill Murphy.</p> <p>Play a pairs game or Bingo with the tricky words.</p>	<p>Wednesday- Play Phonics Pop - Once you have selected the sounds (you must select at least three sounds), click 'Go'. Ask your child to listen to the new sound and click these to pop them. Also try and catch the aliens.</p> <ul style="list-style-type: none"> Daily phonics - Practise the sounds your child is working on and blend words. This can be oral blending (e.g. spoken out loud c-a-t) or written if appropriate. Follow this link: https://www.youtube.com/channel/UCo7fbLgY2oA_cFCI9GdxtQ?app=desktop We are focusing on Set 2 sounds which is live at 10.00am. If your child is finding Set 2 challenging please use Set 1 focusing on blending the

	sounds and writing cvc words.
<p>Thursday- Develop listening skills by encouraging your child to listen to the BBC School Radio episode about sports.</p> <p>Practise tricky words on flash cards.</p>	<p>Thursday- Repeat Buried Treasure from last week's learning: Write out some real words and made up words (e.g. tud, jup, fub). Place these in a pile and using 2 containers, label one as 'Treasure' and the other as 'Bin'. Can your child read the word and decide if it is real? If it is real it goes in the treasure chest, if not it goes in the bin. Simplify this activity for Nursery by sounding the words out for them.</p> <ul style="list-style-type: none"> Daily phonics - Practise the sounds your child is working on and blend words. This can be oral blending (e.g. spoken out loud c-a-t) or written if appropriate. Follow this link: https://www.youtube.com/channel/UCo7fbLgY2oA_cFCIq9GdxtQ?app=desktop <p>We are focusing on Set 2 sounds which is live at 10.00am. If your child is finding Set 2 challenging please use Set 1 focusing on blending the sounds and writing cvc words.</p>
<p>Friday- Read a range of stories at home- enjoy reading them together. Talk to your child about their likes and dislikes in the story.</p>	<p>Friday- Provide your child with some simple words linked to sport e.g. ran. Say the word in sounds e.g. r-a-n, h-o-p, j-u-m-p Ask your child to repeat the sounds and then write the sounds if they are able to.</p>
Weekly Writing Tasks	Weekly Maths Tasks- Positions
<p>Monday- Can your child talk about all the different sports they know? Can they have a go at writing them a list (i.e. run, jump, skip)? Talk about why people write lists and how-to layout a list.</p>	<p>Monday- Listen to this song and watch a short video to learn positional language. Play the prepositional game at the end of the pack.</p>
<p>Tuesday- Discuss what is the most important thing to remember on sports day – see slides below. Ask your child to write a simple sentence about winning a race or taking part in a race. Encourage them to use their phonic knowledge to sound out.</p>	<p>Tuesday- Play positional language Hide and Seek- Choose a selection of items and hide them. Ask your child to count out loud while you're doing this. Give them clues about the positions of the objects, e.g. <i>it's under the chair</i></p>
<p>Wednesday- Ask your child to draw a picture of themselves doing something sporty or them taking part in your obstacle course. i.e. running, jumping, a cartwheel. Can they label the picture or write a simple sentence e.g. I can hop.</p>	<p>Wednesday- Listen to 'We're Going on a Bear Hunt'. Talk about the positional language used in the story – through, over, under. Create a story in the house using these words-over, under, though, behind, next to, opposite, around.</p>
<p>Thursday- Use this animated letter formation tool to help your child practise letter formation. You can select those they find most challenging. Practise writing your first name and your surname. Practise writing the following letters s, p, o, r, t, s, d, a, y, can you write the letters onto a line? Take care with the letters p and y, remember the descender (the tail) comes below the line.</p>	<p>Thursday- Encourage your child to jump, hop or skip. Give them directions as they do this e.g. jump forwards 5.</p>
<p>Friday- Support your child to practise writing the tricky words for this week.</p>	<p>Friday- Make a positional language picture- cut out a selection of 2d shapes. Give</p>

How fast can they write the word?

your child positional instructions to create a picture e.g. *put the square in the middle of your page.*

Learning Project - to be done throughout the week

The project this week aims to provide opportunities for your child to learn more about sports and games. Learning may focus on the history of sport, sporting-heroes, physical challenges and performance.

Ball Games

- Play a game of catch with a ball - when you drop the ball, you lose a point. You could record points using a tally chart and count up who has the most points at the end. **CHALLENGE:** See if you can catch the ball standing further apart, catch with one hand or use a smaller ball.

Play Skittles

- If you have a set of skittles, you're ready to go, if not you can make your own skittles using plastic bottles. Take a plastic bottle and partly fill with soil/ stones or sand to weigh it down. If you don't have plastic bottles available, you could use tin cans for an alternative version. Ask your child to count how many skittles there are to begin with. Roll the ball at the skittles and ask your child to count how many they have knocked over. Can they work out how many are left? **CHALLENGE:** You could write this out as a subtraction number sentence e.g. if you start with 5 skittles and knock over 2 your child would write $5 - 2$. Ask them to count how many are left to find the answer $5 - 2 = 3$

Competition Time

- Have a time challenge. Give your child an action to do e.g. hop, skip, jump, clap or star jump. How many can they do in one minute? Keep a record of the scores. Ask everyone in the house to have a go!

Parts of the Human Body

- Ask your child which parts of their body they use to run? To do a handstand? Draw the parts of the body and for a challenge ask them to label them using their phonics knowledge.

Create your own Junk Modelled Football Pitch

- Using a lid of a shoe box or similar container, help your child to cut out two holes on each end as the goals. If you have green card or paper, stick this in the base, if not you can colour in plain paper using a crayon. Draw out the marking on the pitch using crayons or felt tips. When finished, stand your football pitch on a box on the table. Using something ball-like (e.g. a sweet), take turns aiming at your partner's goal whilst the other tries to save the goal. If you score you get to eat the sweet! **CHALLENGE:** Write instructions to play your game e.g. 1. Put the ball in. 2. Flick at the goal. 3. Eat the sweet!

STEM Learning Opportunities #sciencefromhome

Brilliant Bodies

Try testing your body by seeing how long you can balance for, try balancing on different parts of your body. Record how long you were able to balance. Compare times and discuss with your family.

Mindfulness - Helping your child to have some focused mindfulness time is a great way to help them cope with any difficult feelings or emotions that they might be experiencing at the moment. Mindfulness activities also contribute to brain health and general wellbeing. Start with short amounts of time and build up as your child develops the ability to be still, calm and quiet.

After your child has done something energetic, like dancing, have them take time to lie down with their hands on their chest. Ask them to close their eyes and tune into the feeling of their heart pumping and their chest rising and falling with each breath. Now ask them to bring their attention to their toes, feeling into their little toes and across to their big toes. You might need to gently place your hand on that part of their body to help them feel where they need to focus. Now ask them to bring their attention up to their ankles, then their calves, shins, knees, etc. Keep guiding them to gradually bring their attention in an upwards direction. When they get back to their chest, ask them to again tune into the beating of their heart and the feeling of their breath. Have them remain here, just breathing and staying still, for 1 or 2 minutes.

Additional learning resources parents may wish to engage with

[IXL](#) Click on Maths, Reception. There are interactive games to play and guides for parents.

[Talk for Writing Home-school Booklets](#) are an excellent resource to support your child's speaking and listening, reading and writing skills.

Sports Day

What Is Most Important?

What Else Can You Earn?

What Can Be Won?

Is it a Competition?

Are There Family Races?

What Is Sports Day?

When Is Sports Day?

Who Comes to Watch?

What Activities Are There?

Back

What Is Sports Day?

Sports day is a day when children take part in lots of different sporting activities at school.

Some schools have a whole day and some have a morning or afternoon of sports.

Sports Day is also sometimes known as Field Day or Athletics Day.

Back

When Is Sports Day?

Sports day is usually held outside, on the school field or playground, if the weather is fine.

Most schools in the UK hold their Sports Day in the summer term, during May, June or July.

Often, schools pick a date and also have a standby date, in case it rains on the first date.

Back

Who Comes to Watch?

Most schools invite parents, carers and other family members to come to watch and cheer. They are called 'spectators'.

There are also your friends and teachers there too!

Back

What Activities Are There?

Share it...

Which Sports Day activities have you done or seen before?

Discuss it with a partner...

Which activity is your favourite?

Back

What Activities Are There?

Every school chooses their own sports activities to have on Sports Day.

There are many sporting activities like, such as...

Back

Zoom

Running Race

Back

Egg and Spoon Race

Back

Skipping Race

Back

Sack Race

Back

Bat and Ball Race

Back

Obstacle Race

Back

Relay Race

Back

Are There Family Races?

Schools often have a toddler race for the young children to join in with.

Some schools also have a parents or adult race.

The children often find these very fun and cheer loudly!

Back

Is It a Competition?

Some schools have their Sports Day just for fun and some have a competitive Sports Day.

Is It a Competition?

In a competitive Sports Day, children score points for their team, school, family group or school house.

RED	GREEN
401	405
WHITE	BLUE
396	378

Back

What Can Be Won?

If it is a competition, the winning team might win a trophy!

Back

What Else Can You Earn?

Some schools have rosettes, certificates and medals that the children can earn too.

Back

What Is Most Important?

Discuss it...

What do you think is the most important thing to remember on Sports Day?

What Is Most Important?

We think it is important to...

have fun and **feel happy!**

No matter what the activity is, how you do or who wins.

Back

Have a great Sports Day!
