## Oystercatcher class continuing to learn about plastic pollution

Following their trip to Trevisker Garden Centre and their presentations to the class about banning plastic pollution, this week Oystercatcher class have been writing letters to Scott Mann, our MP. The letters urge him to take action on single-use plastics and highlight the damaging effects on marine wildlife.

Layton's letter earned him the 'Writing Star of the Week' certificate!

24th June 2021

Dear Mr Mann, I am writing to you about plastic pollution. It is a colossal problem for our seas. Micro plastics are one of the worst plastics in the sea. They will never go away. How can we ban single use plastic? Please can we ban single use plastic? Not just bags. Every bottle has plastic in them. Please stop single use plastic. I will be for you.

Yours Faithful
