The children had great fun with the early-morning snow yesterday!

Running for cancer research

Oliver in Kittiwake class has set himself a challenge in order to raise money for Pancreatic Cancer UK. During the month of January, Oliver is running a total of 26.2 miles and he is hoping to raise as much as £1,000 for this charity. Oliver's Grandfather died as a result of this devastating disease in 2020, and he wants to help where he can to avoid others losing loved ones in the future.

If you would like to make a donation to spur him on, please see Oliver's fundraising page:

[Pancreatic Cancer UK - Oliver's Run for Pancreatic Cancer](#)

Well done Oliver!
