

Key Stage One Spring 2021 Term Two

The Scented Garden

Hook—

How tall will it grow?

We will all plant a bean, learn to look after it and watch it grow taller and taller. How far will those roots go...

Music:

We will be learning traditions songs and dances for St Piran's day. We will be listening with concentration and understanding to a range of high-quality live and recorded music.

PSHE -Valuing difference

We will focus on developing respect for different types of people, being kind and helping others and listening skills and why they are important.

English:

Y1 -

Letter writing.

Instruction writing

Y2 -

Non- chronological reports about Plants.

Stories with a familiar setting -Jack and the Beanstalk.

PE:

We will be working on our flexibility, muscle strength and learning about how our heart rate increases as we exercise.

History and Geography:

We will be using aerial photographs to recognise landmarks and basic human and physical features. We will devise a simple map and create a key. We will be exploring the similarities and differences between the flora in the UK and the rainforests.

RE:

We will be exploring national celebrations of St David's day, St Piran's day and St Patricks. We will learning about Mothering Sunday and looking at the question:
Why does Easter matter to Christians?

Science:

Plants

Y1 -We will be identifying a variety of plants and describing the basic structure of common flowering plants.

Y2 -We will observe and describe how seeds and bulbs grow into mature plants. We will find out how plants need water, light and a suitable temperature to grow and stay healthy.

Art and Design:

We will use a range of materials creatively to design and make products. This will include observational drawings of scented plants, using hand lenses to look closely at shapes, colours and patterns.

We will create sculptures of different plants by selecting the best materials and techniques to develop an idea.

Outdoor Learning:

To play, explore and experiment in the outdoor mud kitchen.

To work as a team to weed, maintain and plant the schools vegetable garden. We will be following instructions on how to plant different seeds.
