SCARF-

Health and Well Being:
Race and religion, being different and the same.

Sex and relationships education.

Staying clean and healthy.

Sun safety.

SCIENCE/GEOGRAPHY/TOPIC

Grab your wetsuit. We're going deep into an underwater world of incredible coral and mysterious sea creatures. Head to your local beach and learn about life in the ocean. Can you pick a favourite fish, plant or animal? What do real divers get up to below the surface? Create a fishy story about exploring an amazing underwater world. Time to go a little deeper into our seas. Make a model deep sea submarine that can withstand great pressure and travel to the deepest, darkest places on Earth. Make sure you test it first. What are those bright lights in the distance? It's a group of bioluminescent sea creatures. Look closely and create a colourful, 3-D art exhibition when you rise to the surface. Flippers on? Snorkel ready? Let's head into the Blue Abyss.

I.T:

Safety recap/sources.

Networks, What is the internet made of?, What is a website?

R.E - Judaism

-How do festivals and family life show what matters to Jewish people?

-The People and the Land

-How and why do people mark significant life events?
